

Homes For Our Troops

January 28, 2012

We have been asked by the local organization of Homes For Our Troops to help them promote their 5th annual event that they are hosting in the American Shooting Center of George Bush Park January 27-28th. This group like the Wounded Warrior program builds home for our severely injured returning sons and daughters returning from Iraq and Afghanistan, but on a local level. Please check out their web site for a great over view of all of the good the organization does.

www.homesforourtroops.org/HOU

This is strictly a wash and shine show and another opportunity for us to get together plus show our support for our returning veterans. We only have to be there till 3:00 pm. There will be a group from the Veteran's Center – the Post Oak Smokers preparing some grilled items, and we will be providing soft drinks and water to go along with lunch. We do ask that those participating to help by bring a salad or side dish, or desert – enough to feed eight.

Last Name A-M bring –salad or side dish

Last Name N-Z bring – desert

We will have a large cooler available for those that need to keep their dish cool. We will have serving tables along with plates and utensils, but please remember to bring your folding chairs. Also if you are bringing an “adult beverage” please bring a colored plastic cup to contain it.

Meeting Place/Time

9:00 am

Best Buy – parking lot

2480 Hwy 6 South

Houston, Texas 77077
