

## Street meet at Corvette World of Houston

March 22, 2014

10:00-2:00pm

Contact: Valarie Hendershot

We have been invited by Chris Tines to come have some fun at their next street meet. The format is basically a small club car show held at Corvette World. They have room to show about 20-30 corvettes and enough room for about 30 more cars and trucks (spectators) to park in the back of our building. They have room for about 150-200 people. They will be giving away door prizes periodically during the event which runs from 10:00 am – 2:00 pm. They will provide coffee and pastries in the morning and lunch and refreshments at noon. It sounds like a lot of fun and with a Corvette atmosphere.
