

# LaGrange Car Run

## Saturday, March 19, 2016

We have once again been invited to visit **John Burkland's** fantastic automobile collection in LaGrange. John will have over 140 of the finest cars ever built on display for us to enjoy. If you have not seen his collection, you are in for a real treat - just ask anyone who went on last year's trip! And, to top it off, he is once again providing lunch for us.

We will meet at the **Exxon** station, exit **723 on I-10 W**, at **9:30AM** and hit the road around **10:00AM**. It will be a fun drive to LaGrange, with Gordon leading the way! The route has been changed a little from last year's run so be ready for some fun driving and great scenery. All you need to bring is a good appetite and a full tank of gas. Also, bring your CB radio if you have one.

**Since John is feeding us, we will need a head count by March 15th**

**Please RSVP as soon as possible.**

**Any questions or comments please contact the Event Chairman:**
