

RIDING THE RAILS

TEXAS STATE RR – PALESTINE TO RUSK AND BACK

MARCH 8-9, 2019

Become immersed in the romance of train travel as we ride relaxed inside historic first class 1920's rail cars, being pulled behind a diesel locomotive. The experience is like none other, through scenic pine and mixed oak and Dogwood trees (hopefully in bloom.) Join us and create a memory that will last a lifetime.

We have a group rate of \$65.05 per passenger for the 4 hour train trip, and a special flat rate of \$8.68 for a pre-ordered box lunch at the Rusk turn around. TSRR **does not** allow for individuals to call in for group individual payment. I have prepaid for 30 train reservations and box lunches. If you would like to go, please get me your check. Right now I have 28 seats left – don't hesitate.

Palestine is an approximately 2.5 hr. drive from Houston, my thought is to leave Friday afternoon to make the drive. I have an area reserved for the cars at the train depot, but we have to be there at 9:00am. to park. If you choose to get up at O dark thirty and get to the depot, bear in mind, we have to board the train at 10:00 am. I will be happy to send you the map and route.
